

“If we come together, we can do it”

Derecho. One Year Review.

Publishing: Sun., August 8 Digital Experience: Wed., August 10

August 10, 2020 will forever be known as the day a natural disaster wreaked havoc on our state, yet in true Iowa spirit, our communities have dedicated themselves to restore, reinvest and reimagine life in Iowa, post-derecho.

From the first hint of storm, The Gazette has shared hundreds of stories, visuals and data, providing a go-to resource that explains the impact of derecho to Eastern Iowa and beyond. These experiences and pieces have led the team to plans for a special year in review and state of recovery scheduled for Sunday, August 8 through Wednesday, August 10, 2021.
